

NANAIMO MINOR HOCKEY Affiliation - 2018

The following affiliation rules are to be in addition to the Canadian Hockey and BC Amateur Hockey affiliation regulations.

The NMHA registrar will hold the original copy of the Player Affiliation Permission Form.

When a coach wants to affiliate a player/goaltender, the coach must have a signed permission form from the parents of the player **prior** to the player being added to the team's affiliation list. This is the responsibility of the team doing the affiliating.

When a coach wants to use an affiliate player in a game, the coach must inform the player's regular team coach and get approval from the Competitive Director, **BEFORE** making contact with the player and asking the player to come up.

As much as is practicable, affiliate players should be rotated into the higher team's roster equally (ie. the same affiliate player should not be called up by the higher category team every time an affiliate player is needed)

Teams may affiliate with any player who is from a team in a lower category in the **SAME** division. Ie: Bantam Tier 1 may pull from any Bantam Tier 2 or Bantam Tier 3.

Affiliated players must be registered with NMHA.

Affiliated players are to be used to **replace** an injured, absent or suspended player in a game(s)

Affiliated players must actually play regular shifts in a game that they have been called up for.

Affiliated players **MUST** return to regular season team once assignment is completed.
