

REGISTRATION 2021-22 SEASON

Dear Nanaimo Minor Hockey Members;

The Board of Directors of Nanaimo Minor Hockey are pleased to announce that we are able to offer a discounted fee for the upcoming season. Any player who was **registered and paid in full, for the FULL 2020-21 season**, will have an automatic adjustment of **\$100.00 off your registration fees**. This is a one-time discount for this season only. Juvenile, try out fees and female dual registration do not receive discount.

Any player who has graduated out of our program and will not be playing in the Juvenile league can contact our office to have a cheque reimbursement of \$100.00, sent to the person who paid the registration costs, in full, last season.

The reason behind this; the cost of running minor hockey last season was less than anticipated and NMHA did not pay the cost of referees and extra programs that usually run during the regular season.

To register your player for the upcoming season to begin September 2021-22 please follow this link:

<https://go.teamsnap.com/forms/264202>

If you are wishing to register a new player, the registration rates will be the same as last season with no fee increase. Please contact the office for their Hockey Canada ID#.
