

Good morning,

A few housekeeping things to deal with :

1. If you haven't done so already you need to login to HiSports and make sure all your players/bench staff are there. If they aren't then you need to get your registrar on it.
2. If you already have an account with hisports from a previous year your password will be the same. If you can't remember it, email me and I will reset
3. If you don't have an account then you should have received a email last night inviting you to register.
4. <https://hisports.app> is the link to the website. You will see a login page or click the register to make an account (attached pictures)
5. You will need your HCR# in order to create an account. It is on the roster you sent me (or ask your registrar)
6. Once logged in you will have access to your team's roster. Make sure your player's jersey number and position are there or add as needed. If you do it here then it will be there for the entire season instead of having to add it individually on the game sheet each game
7. Do not share your account with others
8. Encourage your HC to also register
9. Once registered you will automatically receive a copy of the game sheet at the end of the game
- 10. Only those players/bench staff on your roster may be on the bench. There is no add button. IF YOU AREN'T ON THE ROSTER, YOU CAN'T GO ON THE BENCH**

If you are having trouble getting into HiSport or need some practice games set up for your parents do not hesitate to contact me. Part of my job is to help you be prepared to do this job.

Thanks

Anne Dumonceaux, U15 Managing Director VIAHA
