

NMHA Current Covid-19 Guidelines

Dear NMHA members and families;

We expect our players, coaches, managers, team volunteers, and all family involved, to adhere to and familiarize themselves with the current guidelines. Also, be respectful to those who are hired by the City of Nanaimo, and NMHA volunteers, who are checking for proof of vaccination.

- In accordance with the BC Government PHO, masks are required in all public indoor setting for all people born in 2016 or earlier (5+). The City of Nanaimo and NMHA do not require masks to be worn on the ice, however, masks must be worn on benches and in the dressing rooms. Exceptions: those with a medical condition or disability.
- Proof of full vaccination will be required by all NHMA volunteers by November 22nd, 2021. (VIAHA mandatory vaccination requirements)
- Proof of vaccination is required by all spectators 22 years of age and older at all NMHA games, in accordance with the City of Nanaimo. NMHA teams are asked to have a volunteer checking for proof of vaccination at the front door of the facility before each game. This applies to City of Nanaimo rinks only.
- Proof of vaccination is not required at NMHA practices, in accordance with the City of Nanaimo.
- If a player or team volunteer may have been exposed to Covid-19, advise your team safety or manager immediately, and read the following link > <https://www.islandhealth.ca/learn-about-health/covid-19/i-may-have-been-exposed>
- If a player or team volunteer have tested positive for Covid-19, advise your team safety or manager immediately, and they are prohibited to attend all NMHA sanctioned events until proof of a negative test has been provided and approval from NMHA.
- All the above is subject to change at any time.

Regards,

Dave Zielinski
NMHA Risk & Safety | 2nd Vice President
