

****Fully vaccinated date adjusted due to new VIAHA requirements ****

NMHA VACCINATION REQUIREMENTS 2021-22 SEASON

FOR VOLUNTEERS 22 YEARS OF AGE AND OLDER

Effective immediately, the Nanaimo Minor Hockey Association requires all volunteers 22 years of age and older to have their first COVID-19 vaccination by 11:00 pm Thursday, October 7th, 2021, and to be fully vaccinated by November 22nd, 2021. This includes all coaches, managers, safety reps, and volunteers involved with games, practices and any NMHA sanctioned events.

Please forward your QR code - proof of vaccination to nanaimomha@shaw.ca or you can stop by the office to see Vicky in person.

The health and safety of our members is a top priority. And while the board understands and respects the freedom of choice of our volunteers, we feel this requirement is necessary to prevent and alleviate the spread of COVID-19.

This matter is non-negotiable, so please respect everyone involved with Nanaimo Minor Hockey.

We thank you all for your understanding and cooperation.

Kind Regards,

NMHA Board Members

To promote sportsmanship, fair competition, development and safety for minor hockey players of all skill levels.
