

NMHA SPRING STICKS HOCKEY 2024

As the Minor Hockey season winds to a close, many families are considering spring hockey options.

Once again, Nanaimo Minor Hockey is offering the Spring **Coed Fun** Hockey Program for players **in the birth years of 2009-2015, only!**

Games will be on Friday &/or Saturday &/or Sundays in Nanaimo. Once we know how many players/teams, we will know how many games, minimum of 10 games.

We are hoping for 3 divisions with 4 teams per, with rosters insured by BC Hockey and rules and regulations of BCH and NMHA.

Please keep in mind, this is casual, fun, non-competitive, no body contact, inter-squad league, games only. League runs from April 19 - June 23, 2024.

Cost: \$275.00 per player. Fee includes jersey, ice time and referees.

Registration will be on a first come basis, please use your Team Snap account with this link:

Intermediate Division **2012 & 2013**

Senior Division will be **2009, 2010 & 2011**

NOTES:

One goalie per team, and up to 15 skaters. Nanaimo MHA will create the teams, **please do not send requests in**, this is a great time for players to get to know new friends, siblings will be matched according to age group. If wanting siblings to play together they must be one year of out division.

Nanaimo MHA Director of Hockey Operations will be creating the rosters, players will be distributed according to levels, and rosters will be balanced.

If you wish to Coach or be Team Safety, you must be fully certified this past season, please email administrator@hockeynanaimo.com with subject Spring Sticks 2024, with your name, your child's name and child's year of birth so we can match you.

We do not require managers for these teams, fundraising is not necessary either.
