“My goal is to develop players to their fullest potential by providing the proper shooting technique & mechanics every player should know, giving them the knowledge & confidence to implement their skills on the ice.”

Tim Turk is an NHL Shooting and Scoring coach, who specializes in hockey shooting, passing and puck preparation & control, while also teaching the technical aspects and strategies of puck protection.

Tim has worked with 5 NHL organizations (Montreal Canadiens, Tampa Bay Lightning, Carolina Hurricanes, Arizona Coyotes and Calgary Flames), and many National Programs overseas.

Tim continues to work with NHL players, but also works with many organizations, minor hockey teams, coaches and players of all ages and levels. Please visit <https://www.timturkhockey.com/> for more information on Tims background and expertise as well as testimonials.
