

Nanaimo Minor Hockey Association

www.hockeynanaimo.com

Welcome to Nanaimo MHA U11 Development, please note some ice times and groupings have been posted on our website <https://hockeynanaimo.com/2026-27-competitive-team-tryouts/>

Full U11 tryout schedule will be posted as soon as we have it ready.

Please ensure that your player has all their gear ready in their bag, skates are sharpened and sticks are taped! Water bottles are a must for every player, please do not share.

NMHA will supply jerseys for tryouts, jerseys will be hung in designated dressing rooms for the first ice time, players will keep their jersey for the full tryout and return to NMHA washed once teams are formed or players have been released from tryouts.

U11 Development is a little different, as Hockey Canada mandates 4 skates, yes there are 3 here with more to follow in September. We are just trying to be proactive.

U11 Pathway states 4 skates prior to tryouts and none during the week of school start, so we try to do a few early and more in September.

1. All players must be dressed in full gear, including neck guards, and ready to go 10 minutes prior to their ice time.

Do not come to the arena more than 20 minutes early as dressing rooms are not available.

2. All groups were selected by Matt and have no bearing on the placement of players during the season.

3. Please review the ice schedule and attend all the ice times for your grouping. Updates do occur, so please keep checking the website for any changes.

If your PLAYER'S name does not appear on the grouping list, please ensure you have registered properly and paid, if missing email nmhahockeyops@gmail.com, with your player's name, division, and position.

We apologize for any errors that may occur; it is not on purpose that we have missed your child just that we have over 300 tryout players to place.

****If you have your Hockey Canada safety verifications and are willing to help during the tryouts please email admin@hockeynanaimo.com and we will add your name to our lists, so we ensure that all tryouts are covered with Hockey Canada Safety Persons.**
